The lunch program is provided by Friends of Powell Butte School, a 501(c)(3) non-profit organization. Other than two paid employees, the program is strictly worked by volunteers dedicated to providing an excellent lunch for the students. Our Lunch Chef is Ms. Bethany with Assistant Ms. Dalene. It is crucial that parents keep their child's lunch account paid for the program to survive.

The program receives no government funding and is not included in the school budget. The additional funds required to sustain the program budget is achieved by two fundraisers during the school year.

*In September we prepare and serve all the food for Central Oregon Ranch Supply's annual trade show serving up to 800 people during the 3 day event.

*In December on the day of the Christmas program we have a Christmas Bazaar and Cookie Buffet.

Thank you for your cooperation in helping to keep the lunch program sustainable for the students of Powell Butte Community Charter School.
